

Ear, Nose and Throat (ENT) Clinic

402-232-2273, opt. 3442

Clinic is open (0730 -1630) Monday – Friday

We are a referral only surgical clinic that specializes in the diagnosis and surgical correction of Ear, Nose and Throat issues. When your Primary Care Provider cannot successfully treat you with medication and/or therapy they will refer you to the ENT clinic.

Ear cleaning only Monday and Wednesday: (0730-12:00 and 13:00-15:00) Please contact clinic to coordinate technician availability on Mondays & Wednesdays. Available for patients age **18+**

--Sleep Apnea: Patients with possible obstructive sleep apnea need a sleep study before appointment with doctor. ENT doctor will only see adult if sleep study shows need for surgical intervention. Dependents ages 17 & under may be seen without sleep study. ****NOTE:** Referral is need for initial appointment.

'Please call clinic directly for additional information or exclusions'
